Date of Field Trip: _____ Time _____ Number of Children: _____ Age: _____

Thank you for choosing Mills Gymnastics USA for your organization's field trip. Our staff is committed to doing everything they can to make this a positive experience for the children, parents, and your staff. In order for your field trip at MG USA to be a success, please read the following rules and sign below.

- **A minimum \$25.00 dollar deposit is required to book a field trip.** This deposit must be paid for each field trip scheduled, even if they are on the same day.
- Your balance is due in full the day of your scheduled field trip.
- When you arrive for your field trip, all of the signed registration waivers should be given to the staff at the front desk. **Every child must have a waiver form signed by their parent or guardian in order to participate.**
- Our staff will direct all activities. We will only call on your staff if needed for "crowd control" or if a child refuses to follow directions.
- Parents and teachers are permitted to go out on the floor to take pictures, etc, but are not permitted at any time to use the equipment. **Adult waiver forms must be signed for adults stepping on to the floor.**
- Make sure students are dressed in comfortable clothing. Children participate in bare feet for safety.
- **A confirmed number of children must be made no later than one week prior to your scheduled field trip. You will be responsible for paying for all children whether or not they attend.**
